

INSTITUTIONAL DISTINCTIVENESS:

Kakasaheb Chavan College, Talmavale is the only college in the Wang Valley catering the need of education in the vicinity of Talmavale which is a hilly and remote area. The college was established in June 1969. There is no other higher education institute around 25-30 KMs. There are 702 students in the college out of which girl students are 401 i.e. 57.12%. Still there are large number of students who come by foot to college by walking 2-3 KMs every day.

Considering this, the college organizes maximum programmes for the girl students. The participation of the girls in sports and cultural activities is also notable. Around 37 girl students participated in sports events last year at various levels and 06 girl sport persons acquired various prizes. The prize winner girls in the college magazine competition are also remarkable. Their academic performance is also remarkable. Internal Complaints Committee of the college is also proactive.

The college organized various programmes for the girl students:

- Skill Development programmes:
 - a) Mehandi-rangoli competition
 - b) Sky-lantern making workshop
 - c) Micro-wire craft making, etc.
- Health check-up / awareness activities
- Women's empowerment programmes: Workshop for women working in micro-finance system.
