You will get employment and you will create employment for others along with your own. On this occasion, the entire premises of the college was thronged to buy various items. If students give scope to their own good qualities, such development can be done in terms of becoming an entrepreneur. We are implementing this trade fair with the goal of providing employment and employment to others rather than a job in the minds of every student. Students have benefited from it.

• Description of the Programme :

You will get employment and you will create employment for others along with your own. On this occasion, the entire premises of the college was thronged to buy various items. If students give scope to their own good qualities, such development can be done in terms of becoming an entrepreneur. We are implementing this trade player with the goal of providing employment and employment to others rather than a job in the minds of every student. Students have benefited from it.

• **Description of the Programme :**

You will get employment and you will create employment for others along with your own. On this occasion, the entire premises of the college was thronged to buy various items. If students give scope to their own good qualities, such development can be done in terms of becoming an entrepreneur. We are implementing this trade player with the goal of providing employment and employment to others rather than a job in the minds of every student. Students have benefited from it.
