2.2.1 The institution assesses the learning levels of the students and organizes special programmes for advanced and slow learners

Remedial Course in English and Commerce

In order to assess the learning levels of the students, the College organizes special programmes for advanced and slow learners. For this, Remedial Courses in English and Commerce are conducted by the respective departments. The departments have constituted a Board of Studies that comprises of faculty members of the respective departments and one external faculty from one of the Colleges from Sister Institutes. The committee frames the objectives of the course and syllabus for the respective course. The structure of the course is designed by taking into consideration the requirements of the 10 + 2 students. For the students of B. Com. I who belong to Science stream at Junior level, for them, the basics of Commerce and its applications are incorporated into the syllabus.

For the students of B. A. I, the Remedial Course in Basic English Grammar is conducted by the Department of English. The time-table of 30 contact hours is prepared by the respective departments. The sessions are conducted after the regular classes. At the entry level, a common entrance test is conducted in order to assess the learning levels of the newly admitted students. After the evaluation, these students are categorized into batches. For advanced learners, the respective department organizes guest lectures and workshops. At the end of the course, a final examination is conducted by the respective department. Aggregate marks of these students i.e. H.S.C. marks, Entry level entrance examination marks and the marks of final examination are compared in order to find out the progress of the students. If necessary, corrective measures are implemented for the specific needs of the students.

For advanced learners, the College's Library provides separate study rooms. The study rooms are exclusively reserved both for the Girls and Boys students. The library also provides access to the e-journals and issues additional books under the scheme - Book Bank facility. The list of e-journals and books issued by the library under Book Bank facility is as follows:

2. Journals

| Sr.No. | Journals | Available In Our Library |
|--------|---------------|---|
| i | International | 13 |
| ii | National | 18 |
| iii | E journals | Inflibnet N-List (All subjects covered) |
